JUNE/JULY 2023 NEWSLETTER

Independence Day - July 3rd - 4th DWD Offices Closed

Please be advised that the offices for DWD Professional Management will be closed on **Monday, July 3 and Tuesday, July 4, 2023** in observance of the Independence Day holiday. We wish everyone a happy and safe Independence Day!

For a review of July 4th activities in your area, please review the following article from the Osceola News Gazette:

Fire at Playground - Area Closed - Update

Please be advised that due to a fire at the community playground, the area is currently closed. The replacement parts have been ordered. Unfortunately, the parts will take longer than expected to arrive and to be installed. We were hoping that the project would be completed by the end of this month. However, it will take several more weeks for the parts to arrive. As soon as we have an update on the date of the installation, we will send a separate message to all residents. Thank you for your cooperation and understanding during this time.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website – www.pleasanthilllakes.com. Click on "Resident Services" then "Online Forms." Fill out and submit the Form prior to making any exterior modifications to your home. Please also see the ARB application included with this newsletter.

Board of Directors' Meeting: Architectural Review

Committee (ARC) Meeting:

Board Meetings are held on the second Wednesday of every month at **7:00 PM**. The Architectural Review Committee will meet on the same date at **6:30 PM**. See page 3.

Hurricane Season

Hurricane season will begin on Thursday, June 1st and will continue through the end of November. The National Oceanic and Atmospheric Administration is predicting a near normal season this year with between 12 to 17 total named storms (winds 39 mph or higher) of which 5-9 may become hurricanes (winds 74 mph or higher) including 1 to 4 major hurricanes (category 3, 4, or 5; with winds of 111 mph or higher). Therefore, please take the time now to prepare your home and your family for hurricane season. Please see the pages below for additional information about hurricane preparedness provided by HIG Insurance. The Federal Alliance for Safe Homes (FLASH) also issued a brochure for the hurricane season. Please use the following link to access this information:

Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2022, and a copy is available for your review. The Statement of Cash Flow for 2022 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

Dogs Must Be Leashed and Waste Disposed of Properly

Per Section 7.16 of the Community's governing documents, animals are not allowed to roam free at any time. There are several dogs that have been observed running freely through the community. Please be aware that this is also not allowed per Osceola County Ordinances.

Please keep your pets on a leash while walking them through the neighborhood and pick-up and dispose of their waste properly. If you see a pet in the community without a leash or an owner who is not picking up waste, please contact Osceola County Animal Control at 407-742-8000. Thank you for your cooperation and assistance with this matter.

Tree and Stump Removal

The Board would like to remind residents who remove trees from

their property that the tree stumps must also be removed.

Noise Ordinance Violations

Please be advised that loud music, especially after midnight, can be disturbing to your neighbors. You do not know if your neighbor is sick or has to wake up early in the morning to go to work. If you have a noise complaint or concern, please contact the Osceola County Sheriff's Department at 407-348-2222. This is not an Association matter and must be handled directly with the Osceola County Sheriff's Department since this is a County ordinance violation.

Garbage Collection Guidelines

Below please find the recycling and garbage collection schedule for the community:

Recycling and Yard Waste: Tuesday

Garbage and Bulk Items: Wednesday

BELOW PLEASE FIND THE GUIDELINES FOR GARBAGE PICK-UP TAKEN FROM THE OSCEOLA COUNTY WEBSITE:

Per County Ordinance, please DO NOT place your garbage curbside earlier than 6:00 p.m. the night before scheduled pick-up. Please remove promptly after collection. Garbage should be placed within 3 feet of your curb by 6:00 a.m. on

your scheduled collection day. This will ensure timely service.

ARC Guidelines

On January 13, 2021 the Board approved new ARC Guidelines for the community. These guidelines were recorded with the County. The guidelines were mailed to each household, and the guidelines are currently posted on the community website at the following link:

<http://www.pleasanthilllakes.com/governing-documents.html>.

If you have any questions or concerns, please feel free to contact the management office.

Architectural Review Committee (ARC)

On December 9, 2020, the Board of Directors appointed three members to the Architectural Review Committee (ARC) to review all Architectural Review applications for the community. The ARC meets on the 2nd Wednesday of each month at 6:30 PM before each normally scheduled Board of Directors' meeting.

Therefore, if you would like to submit an Architectural Review application, please do so before the 2nd Wednesday of each month so the Committee may review your request. If your application is received after this date, the application will be reviewed at the next regularly scheduled meeting the following month.

2023 Budget Requests

If you are interested in obtaining the 2023 Budget for your community, please feel free to review the document on the community website using the following link:

Owner Access Platform

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

We encourage everyone to utilize the new on-line access platform at
<https://owner.topssoft.com/DWDProfessionalManagement/Account/Login>.

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your information to info@dwdpm.com** and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal

information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you. Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full

replacement (weeds, dead spots, irrigation issues, etc.).

- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- 3) Roofs that need pressure washing, repair, or replacement
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Commercial vehicles, recreational vehicles, boats, or trailers in driveways
- 7) Vehicles parked on the grass

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. **However, please do not approach them in a hostile or negative manner.** They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation along with a picture from the inspection of your property. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Please be aware that after three violation letters, the Board has the option to send the file to the Association's attorney for further action. Once the file is at the attorney, this may lead to attorney's fees and costs. Therefore, please address any violation concerns as soon as possible in order to avoid legal action. Thank you for your cooperation in this matter.

Tub and Tile Cleaner

Submitted by Ed Siegenthaler

If your tub/bathroom/shower needs a serious deep cleaning, microwave half a spray bottle's worth of white vinegar. When it's warm, fill the rest of the bottle with Dawn dish soap. After mixing well, spray the concoction over the grimy areas that you want clean. Let it sit for 5-10 minutes, and presto: Your tiles will be good as new.

Keep Poison Ivy in Check

Submitted by Ed Siegenthaler

If you find yourself afflicted with poison ivy, take a shower using Dawn ASAP. The soap will dry out the blisters, helping with itching and, more importantly, not allowing oils from the blisters to spread the poison ivy to unaffected areas.

Unclog Toilets

Submitted by Ed Siegenthaler

No, we're not kidding. If your toilet is clogged, pour about 1/2 cup of Dawn in, and let it sit for 15-20 minutes. Then, flush it down with a bucket of hot water. Your pipes should be free and clear from then on.

You Have Access

The Deed of Restrictions for Pleasant Hill Lakes is available to all homeowners through the Internet. Please sign into:

www.pleasanthilllakes.com.

There you will find documents for the Pleasant Hill Lakes Homeowners' Association. These documents are used by the Board of Directors to govern the Association.

Drainage Swales and Flooding Issues

If the drainage swale in front of your home is not draining properly, or if the swale is full of dirt and/or weeds, please call Osceola County's Road and Bridge Department at 407-742-7500 to report the issue. We have contacted the County already for several drainage problems in the community. The Road and Bridge Department has been working on the problem for the last couple of weeks. If you are experiencing a similar problem with drainage, please feel free to contact the management office for additional information.

House Numbers

Please be aware that the Architectural Review Guidelines, Section 5.11 states that, "House numbers not less than 4" high with contrasting colors be affixed to the residential unit in full view from the street."

There are some homes in the community that do not have house numbers. In the event there is an emergency where first responders must find your home quickly, these numbers may save your life. Thank you for your cooperation with this very important matter.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our

community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

If information is emailed, then one (1) copy of the information is enough, but it needs to be **legible** or it will be rejected.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days. As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. If you make any improvements without the approval of the Committee, you may need to remove and re-install these improvements. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Septic Tanks

Please be aware that septic tanks may not be emptied in to the drainage swales or drainage ditches of the community. If your septic tank is not working properly, you must contact a septic service company to help with your issues. Anyone seen emptying their tanks in to a drainage structure will be reported to the Osceola County Environmental Protection Services. Finally, if you need to replace your septic tank, please complete an Architectural Review

Change application before you proceed with this project. In addition, once you replace your septic tank/drain field area, you will need to add new sod to the area per your architectural guidelines. Please see the application below for your convenience. Thank you for your cooperation with this matter. If you have any questions or concerns, please contact the management office.

FEEDING WILDLIFE:

It's hard to resist feeding the wildlife but please don't –
for their health and your safety.

THEIR HEALTH

- The native animals who live here, including birds, squirrels, raccoons, and other wildlife, need nature's diet to be healthy.
- Human food is "junk food" for wildlife. Well-intentioned handouts may cause disease, injury, and even death for the animals.
- Providing unnatural food encourages wildlife to congregate in large numbers, leading to territorial fighting, attacks by predators, and being hit by cars.
- Animals you feed today may be killed as "pests" tomorrow. Don't harm wildlife with your kindness...help them remain healthy, safe, and free.

YOUR SAFETY

Native animals who eat human food...

- May bite, scratch or threaten other visitors.
- May come into conflict with your pets.
- May spread disease.

FED WILDLIFE IS DEAD WILDLIFE. IF YOU CARE, DON'T FEED!

Feeding Wildlife Is Illegal Under Florida Administrative Code 68A(4001)

- Cleansing agent/soap
- Latex gloves (2 pairs)
- Sunscreen
- Bug repellent
- Aspirin or non-aspirin pain reliever, anti-diarrhea medication, antacid
- Bottled water and other fluids

Hurricane Family Preparedness

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
