### NOVEMBER/DECEMBER 2022 NEWSLETTER

### DWD Upcoming Holiday Hours

Please be advised that the offices for DWD Professional Management will be partially closed during the last two weeks of December and the first week in January in observance of the Christmas and New Year's holidays. The week of December 19<sup>th</sup>, we will be closed on Thursday, December 22, 2022 and Friday, December 23, 2022.

During the week of December 26<sup>th</sup>, we will be closed on Monday, December 26<sup>th</sup> and Friday, December 30<sup>th</sup>.

Finally, during the first week of January, we will be closed on Tuesday, January, 2 2023.

We wish everyone a happy and safe holiday season!

### 2023 Assessment Information

On Wednesday, October 12th, the Board of Directors held their Budget meeting to discuss the proposed budget for 2023. After much consideration, the Board voted to increase the annual assessment next year. Due to the current rise in the costs for labor, supplies, utilities, services, and your insurance policy, this increase was needed in order to balance your budget for 2023. Therefore, your assessment will increase to \$260.00 per year for 2023.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.pleasanthilllakes.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

### Board of Directors' Meeting: Architectural Review Committee (ARC) Meeting:

Board Meetings are held on the second Wednesday of every month at <u>7:00 PM</u>. The Architectural Review Committee will meet on the same date at <u>6:30 PM</u>. The Dec. Board meeting will be held via Zoom videoconference and teleconference. See page 3 for details.

### 2023 Budget Requests

If you are interested in obtaining the 2023 Budget for your community, please feel free to review the document on the community website using the following link: Pleasant Hill Lakes - Approved Budget 2023. You may also contact the management office to obtain a copy via email or regular mail.

### Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2021, and a copy is available for your review. The Statement of Cash Flow for 2021 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at <a href="mailto:info@dwdpm.com">info@dwdpm.com</a> to make your request.

### Tree and Stump Removal

The Board would like to remind residents who remove trees from their property that the tree stumps must also be removed.

### Dogs Must Be Leashed

Per Section 7.16 of the
Community's governing
documents, animals are not
allowed to roam free at any time.
There are several dogs that have
been observed running freely
through the community. Please be
aware that this is also not allowed
per Osceola County Ordinances.

Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Osceola County Animal Control at 407-742-8000. Thank you for your cooperation and assistance with this matter.

### Noise Ordinance Violations

Please be advised that loud music, especially after midnight, can be disturbing to your neighbors. You do not know if your neighbor is sick or has to wake up early in the morning to go to work. If you have a noise complaint or concern, please contact the Osceola County Sheriff's Department at 407-348-2222. This is not an Association matter and must be handled directly with the Osceola County Sheriff's Department since this is a County ordinance violation.

### Garbage Collection Guidelines

Below please find the recycling and garbage collection schedule for the community:

Recycling and Yard Waste: Tuesday

### Garbage and Bulk Items: Wednesday

### BELOW PLEASE FIND THE GUIDELINES FOR GARBAGE PICK-UP TAKEN FROM THE OSCEOLA COUNTY WEBSITE:

Per County Ordinance, please DO NOT place your garbage curbside earlier than 6:00 p.m. the night before scheduled pick-up. Please remove promptly after collection. Garbage should be placed within 3 feet of your curb by 6:00 a.m. on your scheduled collection day. This will ensure timely service.

### ARC Guidelines

On January 13,2021 the Board approved new ARC Guidelines for the community. These guidelines have now been recorded with the County. The new ARC guidelines were mailed to each household, and the guidelines are currently posted on the community website at the following link: <a href="http://www.pleasanthilllakes.com/governing-documents.html">http://www.pleasanthilllakes.com/governing-documents.html</a>.

If you have any questions or concerns, please feel free to contact the management office.

## Architectural Review Committee (ARC)

On December 9, 2020, the Board of Directors appointed three members to the Architectural Review Committee (ARC) to review all Architectural Review applications for the community. The ARC meets on the 2<sup>nd</sup> Wednesday of each month at 6:30 PM before each normally

scheduled Board of Directors' meeting.

Therefore, if you would like to submit an Architectural Review application, please do so before the 2<sup>nd</sup> Wednesday of each month so the Committee may review your request. If your application is received after this date, the application will be reviewed at the next regularly scheduled meeting the following month.

### **Board of Directors** Meeting and ARC Meeting- Wednesday, December 14, 2022

### Owner Access **Platform**

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

We encourage everyone to utilize the new on-line access platform

https://owner.topssoft.com/DWD ProfessionalManagement/Accoun t/Login.

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. If you have not already provided your email, please email your information to

info@dwdpm.com and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you. Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome

which is the preferred web browser for the platform.

# Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- Roofs that need pressure washing, repair, or replacement
- Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- Commercial vehicles, recreational vehicles, boats, or trailers in driveways
- 7) Vehicles parked on the grass

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation along with a picture from the inspection of your property. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve

our property values.
Please be aware that after three violation letters, the Board has the option to send the file to the Association's attorney for further action. Once the file is at the attorney, this may lead to attorney's fees and costs.
Therefore, please address any

violation concerns as soon as possible in order to avoid legal action. Thank you for your cooperation in this matter.

### Tub and Tile Cleaner Submitted by Ed Siegenthaler

If your tub/bathroom/shower needs a serious deep cleaning, microwave half a spray bottle's worth of white vinegar. When it's warm, fill the rest of the bottle with Dawn dish soap. After mixing well, spray the concoction over the grimy areas that you want clean. Let it sit for 5-10 minutes, and presto: Your tiles will be good as new.

### Keep Poison Ivy in Check

Submitted by Ed Siegenthaler

If you find yourself afflicted with poison ivy, take a shower using Dawn ASAP. The soap will dry out the blisters, helping with itching and, more importantly, not allowing oils from the blisters to spread the poison ivy to unaffected areas.

### Unclog Toilets Submitted by Ed Siegenthaler

No, we're not kidding. If your toilet is clogged, pour about 1/2 cup of Dawn in, and let it sit for 15-20 minutes. Then, flush it down with a bucket of hot water. Your pipes should be free and clear from then on.

### You Have Access

The Deed of Restrictions for Pleasant Hill Lakes is available to all homeowners through the Internet. Please sign into:

# Drainage Swales and Flooding Issues

If the drainage swale in front of your home is not draining properly, or if the swale is full of dirt and/or weeds, please call Osceola County's Road and Bridge Department at 407-742-7500 to report the issue. We have contacted the County already for several drainage problems in the community. The Road and Bridge Department has been working on the problem for the last couple of weeks. If you are experiencing a similar problem with drainage, please feel free to contact the management office for additional information.

### House Numbers

Please be aware that the Architectural Review Guidelines, Section 5.11 states that, "House numbers not less than 4" high with contrasting colors be affixed to the residential unit in full view from the street."

There are some homes in the community that do not have house numbers. In the event there is an emergency where first responders must find your home quickly, these numbers may save your life. Thank you for your cooperation with this very important matter.

### Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include:

- 1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
- 2. Two (2) drawings of your plan(s).
- 3. Two (2) copies of color samples, if applicable.

If information is emailed, then one (1) copy of the information is enough, but it needs to be <u>legible</u> or it will be rejected.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. If you make any improvements without the

approval of the Committee, you may need to remove and re-install these improvements. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

### Septic Tanks

Please be aware that septic tanks may not be emptied in to the drainage swales or drainage ditches of the community. If your septic tank is not working properly, you must contact a septic service company to help with your issues. Anyone seen emptying their tanks in to a drainage structure will be reported to the Osceola County **Environmental Protection** Services. Finally, if you need to replace your septic tank, please complete an Architectural Review Change application before you proceed with this project. In addition, once you replace your septic tank/drain field area, you will need to add new sod to the area per your architectural guidelines. Please see the application below for your convenience. Thank you for your cooperation with this matter. If you have any questions or concerns, please contact the management office.
