

# Pleasant Hill Lakes

#### SEPTEMBER 2018 NEWSLETTER

#### Fall Garage Sale

Pleasant Hill Lakes will have their Fall Garage Sale on <u>Saturday</u>, <u>October 13</u>, <u>2018 from 8 AM – 1</u> PM.

PHL will put up signs at the entry, the week of the Garage Sale. Signs will also be placed down Pine Needle Trail in order to move the attendees to the rear of our sub-division. The only thing you need to do is set up on that day and sell any items you have available. PHL will advertise the Garage Sale in advance. There is no cost to you as this is PHL sponsored.

#### **Budget Meeting**

Please be advised that the next scheduled meeting of the Board of Directors will be the Annual Budget Meeting – Wednesday, October 10, 2018 at 7:00 PM. No changes to the current Budget are anticipated.

After this meeting of the Board of Directors, the Board Members will have an open forum to answer any questions from the membership.

#### Speed Bumps

It has come to the Board's attention that many people are speeding in the community. A suggestion to install speed bumps was brought up at the last Board of Directors' Meeting. Since the roads belong to Osceola County, we will need the help of residents to accomplish this task. The Board will contact the County to start the process to obtain speed bumps. However, we will need you, the owners of the community to agree to the speed bumps by signing a petition indicating your approval. We will provide more information as it becomes available. Thank you for your cooperation in this important safety matter.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website,

www.pleasanthilllakes.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

#### **COMMUNITY MANAGER**

William Carey Webb, LCAM <a href="mailto:info@dwdpm.com">info@dwdpm.com</a>

#### **Board of Directors**

President: Ed Siegenthaler
Vice President: Jeffrey Miller
Secretary: Peggy Wright
Treasurer: Bod Slade
Director: Antonio Resende
Director: Robert Wroten

#### Board of Directors' Meetings

Budget Meeting – Wednesday, October 10, 2018.

Meetings are held on the second Wednesday of every month at 7:00 PM at the Osceola County Fire Station 64 located at 3385 Pleasant Hill Road, Kissimmee, FL, 34746.

## Please Keep Your Lawns Mowed

The Board understands that with all of the rain and standing water that it is not easy keeping the lawn trimmed and maintained. However, when it does dry out, please make sure your lawn is mowed so animals and snakes do not use it as their new home! Lawn maintenance should occur on a weekly basis during the warmer months. Thank you for your understanding.

# Please Park in the Driveway

It has been noticed that many guests and residents have been parking their cars on the roadway or on the grass. This is not allowed per the Governing Documents. Please park all vehicles in your driveway. Thank you.

#### You Have Access

The Deed of Restrictions for Pleasant Hill Lakes is available to all homeowners through the Internet. Please sign into: www.pleasanthilllakes.com.

There you will find documents for the Pleasant Hill Lakes Homeowners' Association. These documents are used by the Board of Directors to govern the Association.

> Welcome letter from our Management Company – DWD Professional Management

- Declarations of Covenants, Conditions and Restrictions
- By-Laws of Pleasant Hill Lakes
- Architectural Review Committee

# Drainage Swales and Flooding Issues

If the drainage swale in front of your home is not draining properly, or if the swale is full of dirt and/or weeds, please call Osceola County's Road and Bridge Department at 407-742-7500 to report the issue. We have contacted the County already for several drainage problems in the community. If you are experiencing a similar problem with drainage, please feel free to contact the management office for additional information.

#### House Numbers

Please be aware that the Architectural Review Guidelines, Section 5.11 states that, "House numbers not less than 4" high with contrasting colors be affixed to the residential unit in full view from the street."

There are some homes in the community that do not have house numbers. In the event there is an emergency where first responders must find your home quickly, these numbers may save a life. Thank you for your cooperation with this very important matter.

#### Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include:

- 1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
- 2. Two (2) drawings of your plan(s).
- 3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

#### Dogs Must Be Leashed

Per Section 7.16 of the Community's governing documents, animals are not allowed to roam free at any time. There are several dogs that have been observed running freely through the community. Please be aware that this is also not allowed per Osceola County Ordinances.

Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Animal Control at 407-742-8000. Thank you.

#### Suspicious Activity

If your neighbor is a seasonal resident or if the property next to your home is empty due to foreclosure, please be on the lookout for any suspicious activity. Also, if you see people walking through the neighborhood looking into vehicles, looking into the windows of a home, trying to force open a door, or any other suspicious or illegal activities, please call the Osceola County Sheriff's Department at (407) 348-2222.

The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.

Thank you.

#### Street Lights

If you notice a street light out on your street, please call KUA at 407-933-7777 to report the street name or section where the light is located. Thank you.

#### Septic Tanks

Please be aware that septic tanks may not be emptied in to the drainage swales or drainage ditches of the community. If your septic tank is not working properly, you must contact a septic service company to help with your issues. Anyone seen emptying their tanks in to a drainage structure will be reported to the Osceola County Environmental Protection Services. Finally, if you need to replace your septic tank, please complete an Architectural Review Change application before you proceed with this project. Please see the application below for your convenience. Thank you for your cooperation with this matter. If you have any questions or concerns, please contact the management office.

#### Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to repaint the house.
- 3) Roofs that need pressure washing, repair, or replacement
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Commercial vehicles, recreational vehicles, or trailers in driveways
- 7) Vehicles parked on the grass

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding this matter.

Saturday – October 13, 2018 8 A.M. - 1 P.M.

# PLEASANT HILL LAKES HOA GARAGE SALE

- · Please join us in the community garage sale!
- We suggest that you place colorful balloons in your front yard on the day of the event. It will be easy to spot while people drive through the community.
- Please call (407-251-2200) or email (<u>info@dwdpm.com</u>) the management office if you have any
  questions or concerns.
