Halloween Celebration Guidance from the CDC

As we all prepare for the Halloween holiday this weekend, we would like to provide you with some guidelines for trick-or-treating within the community and for alternative Halloween activities. The following guidelines are from the CDC website. We ask everyone

to be safe and to follow these guidelines for the safety of your family and your neighbors.

Steps to Take when Trick or Treating

Traditional Halloween activities are fun, but some can increase the risk of getting or spreading [COVID-19](#) or [influenza](#). Plan alternate ways to participate in Halloween.

Make trick-or-treating safer

- Avoid direct contact with trick-or-treaters.
- Give out treats outdoors, if possible.
- Set up a station with individually bagged treats for kids to take.
- Wash hands before handling treats.
- Wear a mask.

Wear a mask

- Make your cloth [mask](#) part of your costume.
- A costume mask is **not** a substitute for a cloth mask.
- Do **NOT** wear a costume mask over a cloth mask. It can make breathing more difficult.
- Masks should **NOT** be worn by children under the age of 2 or anyone who has trouble breathing

Stay at least 6 feet away from others who do not live with you

- Indoors and outdoors, you are more likely to get or spread COVID-19 when you are in close contact with others for a long time.

Wash your hands

- Bring [hand sanitizer](#) with you and use it after touching objects or other people.
- Use hand sanitizer with at least 60% alcohol.
- Parents: supervise young children using hand sanitizer.
- Wash hands with soap and water for at least 20 seconds when you get home and before you eat any treats.

Steps to Take for Other Halloween Activities

Enjoy Halloween activities and take steps to protect yourself

from getting or spreading [COVID-19](#).

Remember to always

- Wear a cloth [mask](#)
- Indoors and outdoors, stay at least 6 feet away from others who do not live with you
- Wash your hands or use [hand sanitizer](#) frequently

Decorate and carve pumpkins

- Decorate your home for Halloween.
- Carve pumpkins with members of your household or outside with neighbors or friends.
- Walk from house to house, admiring Halloween decorations at a distance.

Visit an orchard, forest, or corn maze. Attend a scavenger hunt.

- Go on an outdoor Halloween-themed scavenger hunt.
- Visit a pumpkin patch or orchard.
- Remember to wash your hands or use hand sanitizer frequently, especially after touching frequently touched surfaces, pumpkins, or apples.
- Go to a one-way, walk-through haunted forest or corn maze.

Other Ideas

- Hide Halloween treats in and around your house. Hold a Halloween treat hunt with household members.
- Hold an outdoor costume parade or contest so everyone can show off their costumes.
- Host an outdoor Halloween movie night with friends or neighbors or an indoor movie night with your household members.

Please make sure to use Google Chrome which is the preferred web browser for the platform.

Speeding in the Community and County Road Study

It has been noticed by the Board Members and many residents that some drivers do not observe the posted speed limit in the community. In addition, residents have reported that individuals on unregistered 2- and 4-wheelers are speeding throughout the community. They have also seen the use of golf carts by young children and adults. These vehicles are not registered or insured vehicles on the public roads. Please be aware of the speed limit, and reduce your speed accordingly. Speeding endangers the safety of yourself, your passengers, and others within your community. The Sheriff's Department has stated they will send out deputies from time to time to enforce the speed limit and to ensure the use of only registered vehicles on the public roads. However, we also ask that residents contact the

Osceola County Sheriff's Department when you notice individuals who are not following the law in regards to the speed limit or other driving laws. **Please use the following non-emergency number to report these issues: 407-348-2222.**

The Board submitted an application to Osceola County in January of this year to evaluate the speeding within the community. The County then evaluated if the community was eligible for speed bumps along Pine Needle Trail. Unfortunately, the community only met 4 out of the 5 requirements to obtain these traffic calming devices. The Association must wait one year to resubmit their request for another study. However, if enough residents within the community contact Osceola County Transportation & Transit to complain about the speeding within the community, the County may reconsider the Board's request and install the speed bumps. We encourage all residents concerned about speeding within the community to contact **Osceola County Transportation & Transit at 407-742-0552.**

Thank you for your cooperation with this safety concern.

Monthly Property Inspections

The community management company is tasked by the Board

of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- 3) Roofs that need pressure washing, repair, or replacement
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Commercial vehicles, recreational vehicles, boats, or trailers in driveways
- 7) Vehicles parked on the grass

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the

inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. **However, please do not approach them in a hostile or negative manner.** They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation along with a picture from the inspection of your property. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values.

Please be aware that after three violation letters, the Board has the option to send the file to the Association's attorney for further action. Once the file is at the attorney, this may lead to attorney's fees and costs. Therefore, please address any violation concerns as soon as possible in order to avoid legal action. Thank you for your cooperation in this matter.

Tree and Stump Removal

The Board would like to remind residents who remove trees from their property that the tree stumps must also be removed.

Please Park in the Driveway

It has been noticed that many guests and residents have been parking their cars on the roadway or on the grass. This is not allowed per the Governing Documents. Please park all vehicles in your driveway. Thank you.

You Have Access

The Deed of Restrictions for Pleasant Hill Lakes is available to all homeowners through the Internet. Please sign into:

www.pleasanthilllakes.com.

There you will find documents for the Pleasant Hill Lakes Homeowners' Association. These documents are used by the Board of Directors to govern the Association.

- Architectural Review Committee

Drainage Swales and Flooding Issues

If the drainage swale in front of your home is not draining properly, or if the swale is full of dirt and/or

weeds, please call Osceola County's Road and Bridge Department at 407-742-7500 to report the issue. We have contacted the County already for several drainage problems in the community. The Road and Bridge Department has been working on the problem for the last couple of weeks. If you are experiencing a similar problem with drainage, please feel free to contact the management office for additional information.

House Numbers

Please be aware that the Architectural Review Guidelines, Section 5.11 states that, "House numbers not less than 4" high with contrasting colors be affixed to the residential unit in full view from the street."

There are some homes in the community that do not have house numbers. In the event there is an emergency where first responders must find your home quickly, these numbers may save your life. Thank you for your cooperation with this very important matter.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make

any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

If information is emailed, then one (1) copy of the information is enough, but it needs to be legible or it will be rejected.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the

applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. If you make any improvements without the approval of the Committee, you may need to remove and re-install these improvements. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Septic Tanks

Please be aware that septic tanks may not be emptied in to the drainage swales or drainage ditches of the community. If your septic tank is not working properly, you must contact a septic service company to help with your issues. Anyone seen emptying their tanks in to a drainage structure will be reported to the Osceola County Environmental Protection Services. Finally, if you need to replace your septic tank, please complete an Architectural Review Change application before you proceed with this project. In addition, once you replace your septic tank/drain field area, you will need to add new sod to the

area per your architectural guidelines. Please see the application below for your convenience. Thank you for your cooperation with this matter. If you have any questions or concerns, please contact the management office.

Dogs Must Be Leashed

Per Section 7.16 of the Community's governing documents, animals are not allowed to roam free at any time. There are several dogs that have been observed running freely through the community. Please be aware that this is also not allowed per Osceola County Ordinances. Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Animal Control at 407-742-8000. Thank you.
